

Virtual

dbAccess Back to School European Utilities Conference

Save the date

Tuesday, 2 September 2025

Deutsche Bank will host a virtual **dbAccess Back to School European Utilities Conference** with a mix of management and IR on Tuesday, 2 September 2025.

Virtual 45 minute structured Q&A fireside chat with each company and **James Brand** or **Olly Jeffery** from Deutsche Bank Utilities Equity Research. Investors can send in questions on IB during the call.

Please mark the date in your diary. A formal invitation with registration details will follow in due course.
